CONDITIONS OF ENTRY

1. HELD UNDER UKA RULES

All events will be subject to UKA Rules for Competition

2. EVENT RESTRICTIONS

The committee reserves the right to cancel any event in which the entries are insufficient to justify the holding of a competition. As we are short of officials, events will not be held if there are insufficient entries, and it is probable that the number of trials in field events will have to be restricted.

3. UKA RULE T3 S2 APPLIES

Athletes may choose to compete in an age group above their own subject to the limitations in rule T3 S2

Failure to wear one of these vests could result in disqualification. Schools vests should not be worn.

The organisers will provide implements for the throwing events. Competitors may use their own starting blocks if they conform to regulations and are approved by the Starter's Assistant.

Final confirmation was given that the athlete would start in an event but failed to participate; 2. An athlete qualified in any qualification round of an event for further participation in that event but then failed to participate further; 3. An athlete failed to compete honestly with bona fide effort.

All entrants shall be deemed to have made him/herself familiar with and agreed to be bound by the UKA Anti-Doping Rules and to submit to the authority of UK Anti-Doping in the application and enforcement of the Anti-Doping Rules. The UKA Anti-Doping Rules apply to entrants participating in the sport of Athletics, for 12 months from 13th May 2023 whether or not the entrant is a citizen of, or resident in the UK.

IMPORTANT PLEASE READ NOTES BELOW

With the reduced number of officials, and dependent on entry levels, there may need to be some adjustment e.g. combining male and female throwing events.

Please be aware that if an athlete enters several events there are likely to be clashes in timetabling. In the case your events clash, it is suggested that the athlete or athletes coach or parent report to the field event lead to register. When the athlete returns to the field event they may then join in at the point that the field event is in, i.e. if they return and trial 2 has started the athlete must join in at that stage meaning they will miss trial 1. In the high jump and pole vault they may enter at the height of the bar when they return, provided that the second round at that height has not already started.

This is a Championship meeting. In several events, particularly sprint events there may be a requirement to run heats and finals.

If you have not received an email confirmation by the 8th May 2024, or if you experience any issues with on-line entries please contact, entries@staffs-champs.org.uk

Entries close Midnight Tuesday 30 April 2024. No late entries will be accepted.
